Dear Noreen:

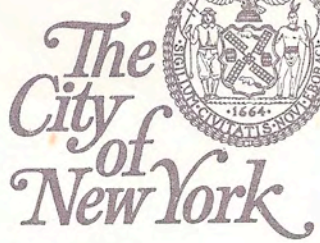

I wish to thank you for your efforts at our seminar on THE PSYCHIC CONNECTION IN INVESTIGATIONS. A poll of the students found your class to be well done and interesting. In speaking with representatives of the Fort Myers Police Department, the Sarasota Sheriff's Office and our own department, all were enthusiastic, and indicated they would be in touch with you for additional case work.

I appreciate your efforts in putting this class together, and I look forward to working with you in the future. Please accept my congratulations on a job well done.

Should you have any questions, please do not hesitate to call me at (813)-954-7027.

Sincerely,

Dear Ms. Renier:

I just wanted to let you know how much I enjoyed your presentation of "Psychic Connection in Criminal Investigation" last night at the Headquarters Library. What a dynamic speaker you are and what a fascinating career you have had!

It was such a pleasure to see our main floor meeting room packed to capacity and even spilling out the door. I'm sure your upcoming presentations at our Millhopper Branch (Wednesday, September 27<sup>th</sup>, at 6:30 p.m.) and at our Newberry Branch (Sunday, October 29<sup>th</sup>, at 3:00 p.m.) will be equally successful.

As you requested, I'll be sure to indicate, when I submit an invoice and check request next week, that your honorarium for all three programs is to be handed to you at our Newberry Branch on Sunday, October 29<sup>th</sup>, after your presentation there.

Many thanks for your presentation here at Headquarters. Library staff at Millhopper and Newberry are eagerly looking forward to your programs there next week and in November. As a memento, I've enclosed copies of our publicity poster, flyer, and Fall 2000 Program Guide listing your three presentations for the Library District this fall. Thank you again.

Yours sincerely,

## Help for the F.B.I.

"F.B.I. Confirms Amazing Powers of Psychic," said the headline on this week's front page of The National Enquirer.

According to the tabloid's account, the psychic, Noreen Renier of Orlando, Fla., has lectured at the Federal Bureau of Investigation Academy in Quantico, Va., and "stunned an audience of officers there in January of 1981" when she predicted the attempt to assassinate President Reagan that occurred two months later.

The article said the bureau had since referred Ms. Renier to local police departments looking for otherworldly help in investigations.

Is the article true? An F.B.I. spokesman had no comment yesterday.
